# What is happening in Water / Sewer Department in 2022 ?

## Water:

- Town Water Department Staff will be putting a waterline in the North half of Ward Road.
- We are currently engineering Phase 16 which will include putting a waterline in on Griswold to Ditch Rd., all of Ditch Rd. and 2 sections of Akron Rd. This will take the remainder of this year to engineer and we anticipate putting the water in year 2023.

## Sewer:

- We are pleased to announce that we were awarded a grant to pay for 75% of the mandatory disinfection upgrade to the W.W.T.P. A new generator for the Plant is also included in this grant.

*As always we are pleased to serve the people of this great Town and will do so to the best of our ability. Thank you, Brian*
