New York State requires that all dogs are licensed at four (4) months of age.

Please come to our office to license your dog. You may also license the dog by mail or by using our drop box if that is more convenient. We will process your license and return everything to you in the mail.

Please provide us with the following information: A current rabies vaccination certificate and a spay/neuter certificate, if applicable.

The annual cost to license your dog in the Town of Royalton is as follows:

\$ 8.00 per year for a spayed or neutered dog

\$ 5.00 per year for spayed or neutered dog - Senior Discount (Age 65 & over)

\$ 16.00 per year for a non-spayed or non-neutered dog

\$ 11.00 per year for non-spayed or non-neutered dog – Senior Discount (Age 65 & over)

Please make checks payable to: TOWN OF ROYALTON

Each dog is given a stainless steel tag for their collar with an identification number that is specific to them and to you as their owner. Please make sure to put this tag on their collar so that if he or she decides to go out for a walk one day without you we can identify them and return your beloved pet back to you!
